ETATS D'ARTS

Du 18 octobre jusqu'à la fin décembre 2022 à Paris, la galerie Sophie Negropontes réunira une trentaine d'œuvres réalisées par sept artistes contemporains qu'elle représente. En marge d'Art Basel, la galeriste tisse des liens entre les univers et les médiums des artistes. Elle imagine des conversations animées où se confrontent, se répondent ou se révèlent des pièces singulières, scrupuleusement choisies.

STATES OF ART

From October 18 until the end of December 2022 in Paris, Sophie Negroportes gallery will bring together around thirty pieces of art by seven contemporary artists it represents. On the sidelines of Art Basel, the gallery owner weaves links between the universes and mediums of the artists. She imagines animated conversations where singular pieces, scrupulously chosen, confront, respond to or reveal themselves.
