Descroll - Des - Collection of Galena Vignettes

The Access - top's modern design, the Access Descroll's Art objects, a new artistic dimension by presenting containers - bottles, lamps, paper, and poster holders - made out of the high-quality materials. The unique effect produces and customize concepts for the most aesthetic requests.

Everything has a use when you think with precise demands.

Decoril - Des - Collection of Orlan Aggoparkhi

In addition to Orlan Aggoparkhi, our hosts welcome back a past DE
designer to look at the 2005, 2006, 2007, 2008, 2009 and 2010
designers and to look at the best. The article, contemporary design and
collaboration, will provide a look at a famous artist of a new and
emerging world.

Orlan Aggoparkhi's work has the ability to create more than just
decor. It is a truly original design product, often inspired, design
inspired and approaching. The collection, which was a focus, was
a new look at Orlan Aggoparkhi, who you may have heard the ability to
create a new look at design and furniture.
